Education

University of Florida Doctor of Philosophy in Astronomy (expected 2027)

2021 – Present Master of Science in Astronomy (awarded 2023)

Advisor: Desika Narayanan

Rutgers University Bachelor of Science in Astrophysics (Highest Honors)

2017 – 2021

First Author Publications

Zimmerman, D. et al. (2026) "*Simulations of Dust Content and Attenuation in z=5−15 Galaxies*". arXiv e-prints. **link**

Zimmerman, D. and Narayanan, D. (2026) "*Reimagining SED Fitting with Cosmological Galaxy Simulations and Machine Learning*". arXiv e-prints. **link**

Zimmerman, D. et al. (2024) "*Tracing the History of Obscured Star Formation with the SIMBA Cosmological Galaxy Evolution Simulation*". ApJ. 973 14. **link**

Zimmerman, D et al. (2021) "*A new framework for understanding systematic errors in cluster lens modelling - II. Constraint selection*". MNRAS. 508 5602. **link**

Positions:

Graduate Research Assistant (UF) Fall 2027 - Present

Visiting Graduate Research Fellow (UT Austin)	Spring 2026 – Fall 2027
Graduate Research Assistant (UF)	Fall 2023 – Spring 2026
Graduate Teaching Assistant (UF)	Fall 2021 – Fall 2023

Talks and Presentations

Astronomy Seminar - University of Washington	March 2026
Cosmic Frontier Center Conference – UT Austin (Poster)	May 2025
CRISOL 2025 – Toledo, Spain (Poster)	May 2025
Cosmic Horizons Conference – UT Austin (Poster)	May 2025
SBI Galaxy Evolution – Bristol, UK (Talk)	April 2024
SIMBA Collaboration Meeting – Flatiron Institute (Talk)	May 2022

Mentoring:

*co-mentored with Desika Narayanan

Ilem Lesher*	2025-2026
Elizabeth Kelly*	2025 - Present
Denise Yudovich*	2022-2024
Jack Moreland*	2022-2024

Teaching Experience:

Institution	Course ID	Course Name	Semester
University of Florida	AST3019	Astronomy and Astrophysics 2	Spring 2023
University of Florida	IDS295	Knowledge and the Universe	Fall 2022
University of Florida	AST3019	Astronomy and Astrophysics 2	Spring 2022
University of Florida	AST3019	Astronomy and Astrophysics 2	Fall 2021

Technical Skills:

Python: Expert

Bash/SLURM: Expert

Git: Intermediate

C/C++: Intermediate

Awards:

UF Astronomy Graduate Teaching Award 2023

UF Astronomy Graduate Teaching Award 2022
